[1]Estimated Armed Forces participation.

Note: Persons in college are civilians only.

Figures for the civilian population and persons enrolled in college may differ from previous reports because revised civilian and Armed Forces figures were used for 1963 to 1975.

[1]The high nonresponse on income for the years 1967 through 1969 was caused by apparent random errors in CPS processing. Some persons were not matched back to their family records and, hence, did not receive the family income codes.

Note: A dependent family member is a relative of the primary family head other than the wife.
